*An American Summer: Seek a New Horizon --
Check out these exciting new Summer classes!*

Ten Steps to Better Interviews

“Interviewing for a job is like war” says **George Baum**, a retired military officer who specialized in hiring personnel. “There will only be one winner.” Through discussion and practice, you will learn how to make the best impression using ten steps to better interviews and avoiding four common mistakes. Page

How to Grow Green Plants with a Brown Thumb!

Do you want your ficus to look fabulous and your dieffenbachia to look dynamic? Most people never agree 100% on plant care, but you will find **Lillie Ammann** has terrific tips. She’ll give you the latest information on plant and pot selection, soil, temperature and humidity, light, watering and feeding, grooming, propagation and preventive medicine. **Lillie Ammann** has owned an interior landscape company for nearly twenty years, has experience in network marketing and has written a guide to houseplant care. Page

Money Matters and Matrimony

Entering into marriage? Divorcing? In either case, there are things you should know about personal finance relating to marriage or divorce. Proper planning and management could affect your financial future. **Mary Ann Osborne**, MBA, CDP is a Certified Divorce Planner and Financial Organizer. Page

Too Many Irons in the Fire?

Be part of an evening of fun learning the new craze in hair styling with the flat iron. See how you can turn natural wave into beautiful celebrity-like straight locks. The hands-on class will have your hair looking like you just flew in from Hollywood. Before and after shots will be taken for you to take home and practice on your own. If you want to be up on the latest of hair trends, don’t miss out on the fun! Page

Patriotic Wall Hanging

Get ready for the 4th of July with this adorable wall hanging featuring a flag and angel. Learn to do simple embroidery, appliqué, piecing and quilting. No experience is required for this class but you will need to bring your sewing machine. Supply list will be mailed. Kits will be available for \$25. **Jackie Ledford** is an award-winning quilter. Page

Doctor’s Orders+

Doctor’s tell us that soy is beneficial for those with a variety of health concerns—high cholesterol, renal problems and irritable bowel syndrome. Learn how to use all kinds of soy foods to create a diet high in protein and fiber, and low in fat and cholesterol. Low fat does not mean low flavor with such recipes as Tofu, Tomato and Basil Bruschetta; Spinach Dip; Manicotti; and Strawberry Trifle. \$8 food fee payable to instructor. **Catherine Misener**, instructor, makes cooking healthy a real treat. Page

Paper Airplanes Aplenty+

Remember the fun of paper airplanes? Recapture the fun—and then some. We’ll do biplanes, tubular planes, jets, and a few more that will knock the socks off your kids and grandkids. Kids ages 8 and up can register if accompanied by an adult. \$5 supply fee payable to instructor. **Zita Parker** is an art teacher and exhibiting artist. Page

Glass Bead Making for Beginners*

Discover the fun of making your own lamp-worked beads in a studio setting, using a safe non-oxygenated torch. You will learn basic design and decorative techniques including textures, dots and stripes. Instructor **Molly Heynis**, who has taught bead making in Illinois, New Jersey and Texas for a decade, will also demonstrate the use of silver foil, frit and millefiori. Cost includes supply fee for Moretti glass rods and use of equipment and fuel at individual workstations. Heritage Glass Studio is located at 1418 Timberwood Trail in New Braunfels, Texas. Page

Get Fit For Golf+

Golfers now recognize the importance of physical fitness in their game. **Dr. Greg Nelson**, a sports chiropractor and golf-conditioning specialist, will show you how to get fit for golf. Classes will cover basic stretching and strengthening for a better, safer golf swing. Optional materials: “Home Golf Gym” for home exercise. Page
